

Inspirative Arts will be offering student placements for University of Derby MA students. We have the capacity to offer one student from each pathway a placement following an interview and induction process.

Students should be able to provide:

- A current DBS check
- An up to date CV
- A reference

Our organisation are able to offer a variety of possible client groups and have experience clinically managing students from the university. Each student will be offered bi weekly supervision with one of our experienced arts based therapists.

Please ensure that contact is made in plenty of time as interviews will be offered on a first come first served basis.
