

Inspirative Arts will be offering student therapy at a reasonable rate for University of Derby MA students. We will be offering a student therapy group, and there are some individual therapy slots available. We have our own Arts Therapies centre near Derby train station, easily accessible from town.

Our Dramatherapists have experience working with students in both therapy and supervisory roles. Our Dramatherapists attend regular CPD and are both HCPC and BADTH registered.

To make an enquiry please email: r.morley@inspirativearts.co.uk or call on 01332 208706
